IT product solutions
CANADA

Industrial Ethernet IP67 Switches
Industrial Ethernet Extenders
Industrial Media Converters
Industrial PoE Injectors & Splitters
Industrial M12 Cable Assemblies
Industrial Serial over Ethernet
Industrial IP67 M12 PoE Switches
Industrial Modbus & Wireless

INDUSTRIAL FIBER

iOC Tech delivers a broad selection of fiber connectivity products in many commercial applications with a focus on Industrial grade hardware for stable networking including **extreme** and **harsh environments**.

Benefits of Fiber Optics

- Data integrity & security
- Immune to electromagnetic interference
- High bandwidth over long distances
- Ease of use & installation
- Eliminating spark hazards

M12 PoE SWITCHES

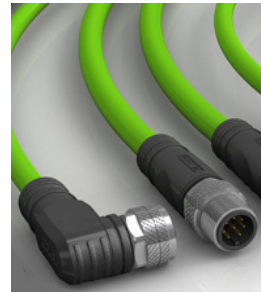

Products for Industrial applications with a reliability that ensures safe data communication and networking in **harsh environments**.

- 30W Per Port
- 75°C to -40°C
- Waterproof IP67
- RING

M12 CABLES

Cables for Industrial applications need to provide stable power supply and signal transmission and need to work in complex environments while being **waterproof, dustproof** and **corrosion resistant**. M12 cables provide all these benefits at cost effective pricing.

CUSTOM CABLES

Imagine it and we'll build it

Custom cables built to exact specifications
Various lengths and configurations
All custom cables are guaranteed for life
